DEFENDANT’S UNOPPOSED MOTION TO MODIFY THE SCHEDULING ORDER

Defendant, the United States, respectfully requests an order to modify the May 1, 2019 Scheduling Order. ECF No. 93. Counsel for defendant has discussed this request with counsel for plaintiffs, all of whom have indicated that they do not oppose this motion.

On April 1, 2019, after undersigned counsel for the United States filed the administrative record, the Higher Education Loan Authority of the State of Missouri (MOHELA) and Granite State Management and Resources (Granite State) filed a related protest in this Court (Case No. 19-478), raising unique bid protest challenges. Following consultation with counsel for MOHELA and Granite State, the United States intends to seek leave to amend the administrative record to include additional documents that are responsive to MOHELA and Granite State’s allegations in this protest. To afford all plaintiffs an opportunity to review the additional documents and to make use of these documents when preparing their briefs, the United States respectfully requests an order to modify the existing scheduling order as follows:

Defendant to file additional administrative record documents	May 16, 2019
Plaintiffs' respective Motions for Judgment on the Administrative Record ("MJAR")	June 3, 2019
Defendant's Response and Cross-MJAR	June 17, 2019
Plaintiffs' respective Replies and Responses to Defendant's Cross-MJAR	July 1, 2019
Defendant's Reply	July 10, 2019

Respectfully submitted,

JOSEPH H. HUNT
